Recommendation : Adopt the proposed 2019-20 Budget for all funds presented as a Public Hearing Item at the June 6, 2019 Board Meeting.

Background/Rationale : At the June 6, 2018 Board meeting, a public hearing was conducted on the proposed 2019-20 budget for all funds. Administration is now requesting action to adopt the proposed budget. As indicated at the prior Board meeting, by June 30th of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30th. The 2019-20 Budget establishes expenditure authority for the district to conduct business for the next fiscal year.

The proposed 2019-20 budget is based on the May Budget Revision that was presented by the Governor on May 9, 2019 and incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Budget Revision is a very significant event in the process, the final impact to the District will not be known until the State budget is signed. School districts have 45 days after the final State budget is signed to amend and resubmit their budget. The proposed 2019-20 budget takes into consideration the priorities from stakeholders as discussed at the LCAP presentations, some of Superintendent Initiatives and budget committee meetings.

Multi-Year Items

Local Control Funding Formula for 2020-2021 and 2021-2022 - The multi-year projections include LCFF funding increase at the levels mentioned earlier in the report: \$8.4 million in 2020-2021 and \$8.7 million in 2021-2022.

Supplemental/Concentration Funds - The LCFF is providing approximately \$76 million in Supplemental/Concentration funding for 2019-2020. This is an increase over the current year of \$3.38 million. Preliminary work shows that the District has budgeted all Supplemental/Concentration funds for 2019-2020. These funds will increase by \$2.06 million in 2020-2021 and \$1.59 million in 2021-2022. The multi-year projection includes reserving \$624,000 in additional support for the ELSP program in 2020-2021 and reserves the remaining funds for the increased cost/service for these programs.

Restructure of the Teacher Salary Schedule - Recently, an arbitrator ruled on the restructuring of the teachers' salary schedule. This change adds different columns and steps and allows for teachers to increase their salary faster with advanced degrees and class units. At this time, it is not known how this will impact the cost of teachers from one year to the next (called cost of step/column). No new adjustment was made for this change in the multi-year projections.
