WHAT'S THE LCAP?

Every local educational agency (LEA), including a Local Control and Accountability Plan (LCAP) agency, is required to submit a 3-year plan to the state.

Our LCAP development process is designed to be a collaborative effort. We are working with the state, including the Department of Education, to develop the LCAP. This process includes the Local Control and Accountability Plan Advisory Committee (PAC). A local advisory committee (LAC) is also required to be established by the LCAP agency.
